I am forwarding herewith an extract from the proceedings a meeting of the Hassan Town Municipal Council held on - h December 1920, I have the honor to bring to the notice - Government that for some time past plague is prevailing in -Hassan Town and I think that it might become severe as e are reported to be dying all over the town The Council t then find it difficult to deal with the situation spite of preventive measures adopted to stamp out the disease ng to the persistence of some inhabitants of the place unless red under section 145(3) to order the evacuation of in- d buildings and under section 144(2) of the Municipal -- ation to exercise all the powers conferred therein during continuance of the out break of plague

The powers if granted need not necessarily be exercised and very fact that the conferring of su ch powers has been noti- in the Gazette, is sure to hasten the evacuation of the con- portions of the town and the stamping out of the infection request that orders may be obtained early in the matter - communicated to me
